Cumberland County Proclaims Nursing Home Week

Cumberland County, Pennsylvania- During their regular meeting today, the Cumberland County Board of Commissioners proclaimed May 11th-17th as Nursing Home Week. Nursing Home Week honors those who reside in Claremont Nursing and Rehabilitation Center (CNRC) as well as those who dedicate themselves to providing quality care in the facility.

This year's Nursing Home Week celebrates CNRC's Center for Medicare and Medicaid Services 5 Star Rating with the theme "5 Star Care by 5 Star Staff." Each day will highlight a different department within CNRC. Various programs are also planned for residents, their families and staff including a Strawberry Social, a Bluegrass Jam and a lunchtime picnic.

CNRC, a 5 Star facility, is a community-based nursing and short-term rehabilitation facility with an open admissions policy. The facility hosts 290 beds and strives to provide state-of-the-art therapeutic nursing care for a variety of needs. For more information on CNRC and a list of events visit <http://www.ccpa.net/index.aspx?nid=109>.
