CONSERVATION DISTRICT TREE SEEDLING SALE SCHEDULED

The Cumberland County Conservation District has scheduled their 38th Annual Tree Seedling Sale for April 16 and 17, 2015. Contact the Conservation District Office at 240-7812 to receive an order form or go to their website at www.cumberlandcd.com and download the order form listed under the tree sale category.

Tree seedlings available for 2015 include: White Pine, Douglas Fir, Colorado Blue Spruce, Canaan Fir, Concolor Fir, White Oak and Red Oak. Also, the District is offering three types of Apple trees (Gold Rush, Liberty & Initial) plus two Pear trees (Harrow Sweet and Potomac).

Myrtle Clumps and a wildflower mix will be sold as well as tree shelters and wood stakes. Profits from the tree seedling sale will help offset costs associated with environmental education projects and natural resource-related programs in Cumberland County.

Orders must be received at the Conservation District Office by March 30, 2015.
