### ***Claremont to Host Special Events for Nursing Care Week***

**Carlisle, Pa.** – Claremont Nursing & Rehabilitation Center (CNRC) will celebrate National Skilled Nursing Care Week (May 13-19, 2018) by hosting many special events for residents and staff.

Residents, their families and CNRC staff are sure to enjoy the many exciting activities planned, including a Bluegrass Jam, Troop Kismet Belly Dancers and Tom Edmondson. Following the national theme of “Celebrating Life’s Stories,” Claremont will also host special “dress days” to help residents celebrate life’s most significant events, relationships and experiences. From pajamas for bedtime story day, impersonating a favorite fictional character, dressing to celebrate a lifetime event (wedding, graduation, vacation, etc.) or even crazy shoe day, everyone is guaranteed to have a great time.

“We take pride in the care we provide all our residents,” said Nancy Hahn, activities manager at CNRC. “These activities are just one of the many ways we work to make Claremont feel like home for all our residents, their families and our team members.”

National Skilled Nursing Care Week is an annual, week-long observance by the American Health Care Association. This week provides an opportunity to recognize the role skilled nursing care centers provide in caring for America’s seniors and individuals with disabilities.

Established in 1829, Claremont Nursing and Rehabilitation Center, named a five star facility by the Centers for Medicare and Medicaid Services, is a community-based skilled nursing and rehabilitation center with an open admissions policy. The 282 bed facility provides advanced therapeutic nursing care for a variety of needs, a state-of-the-art dementia unit and a dedicated short term rehab unit.
