Smith Named Administrator for Claremont Nursing and Rehabilitation Center

Carlisle, PA – The Cumberland County Commissioners today announced the appointment of B. Melissa Smith, as the administrator of Claremont Nursing and Rehabilitation Center (CNRC). Smith previously served as Director of Finance for the facility since 2018.

Smith has more than 30 years in the financial and medical field, specifically focusing on the principles and practices of health care reimbursement and most recently working for Mid-Atlantic Healthcare in Maryland and Select Medical in Mechanicsburg.

“Since I have been working at Claremont for the past two years, I have worked with the staff and know our residents, and I think that makes this transition easier,” said B. Melissa Smith, CNRC Administrator. “My main focus is the health and safety of our residents and staff especially during the COVID-19 Pandemic.”

Smith holds a Masters of Business Administration from Lebanon Valley College.

Claremont Nursing and Rehabilitation Center has a proud history of quality of care for our seniors in need. A 282-bed community-based skilled nursing and rehabilitation center with an open admissions policy, Claremont offers advanced therapeutic nursing care for a variety of needs, a dementia unit, and a 7-day a week short term rehab unit.
