### **UPDATE: COVID-19 Resident Deaths And Additional Cases At Claremont Nursing and Rehabilitation Center**

**Carlisle, PA** – Claremont Nursing and Rehabilitation Center (CNRC) today reported that since Friday, Dec. 4, **an additional four residents passed away, bringing the total to 20 deaths** due to COVID-19.

Currently, the facility has **93 residents and 39 employees who have tested positive since weekly testing resumed on Thursday, Nov. 5.**

Testing will continue until there are no positive cases. All families have been notified. Since the pandemic began in February, 20 residents have died due to the virus, 95 residents and 51 staffers have tested positive.

**To date, 31 residents and 36 staff who tested positive for the virus have recovered.**

Visitation has ceased for the safety of the residents, staff and visitors, with the exception of end of life.
