The Cumberland County Commission for Women has a scholarship opportunity for one Cumberland County female, 21 years of age or older, who wishes to pursue a leadership-oriented educational/personal enrichment opportunity. The scholarship is not for a credit-bearing course or program. One scholarship will be awarded in the amount of \$500.

The scholarship application includes one essay question that will give the applicant an opportunity to discuss her perspectives on community leadership and, in honoring the Commission's mission, to share an idea for a leadership program that would benefit women and girls in Cumberland County.
